

## Check Your Heart, Bro Homework

**"It's common knowledge that 'God goes against the willful proud; God gives grace to the willing humble,'" (James 4:6).**

Read through this list of humility attributes again and circle any that you are struggling with:

1. You remain teachable.
2. You can be corrected, directed, and someone can speak into you without defending yourself.
3. You rejoice when others are celebrated.
4. You have a thankful attitude.
5. No job is too small for you.
6. You don't always have to be right (even when you are).
7. You naturally seek the advice of others.
8. You actually pray. You don't just talk about praying.
9. You freely admit your flaws, mistakes, and failures.
10. You live to help others succeed.
11. You aren't easily offended.
12. You refuse to live with a sense of entitlement. You don't think anyone owes you something.
13. You are quick to forgive and don't hold grudges.
14. You are confident in who you are and content with who you aren't.

  

1. What areas did you circle? Ask the Lord why those areas are hard for you and what you need to surrender to move forward.
2. Have you ever seen pride swallow someone up and cause them to fall into sin?
3. What lessons did you learn by observing what happened to them?
4. Repent for any pride in your heart.
5. Jesus stooped low to wash the disciples' feet. Ask the Lord to show you one person that you can serve.
